**ORDER**

LEWIS A. KAPLAN, *District Judge*.

Since plaintiffs filed their motion to compel [DI 78], defendant has produced additional documents related to its position that the works at issue were “works made for hire.” Defendant stated that the parties’ dispute over this category of discovery is now limited to whether it must search and produce additional documents contained within “boxes in storage.” It stated also that it will not rely upon documents it has not produced in opposing class certification.

In light of this new production and defendant’s stated position, plaintiff is directed to respond to defendant’s letter of June 26, 2020 [DI 79], as it pertains to the “works made for hire” documents, no later than July 8, 2020.

SO ORDERED.

Dated: July 1, 2020
